

# #5 Instagram - Salzburg

Salzburg is a small city in Austria that has become more and more interesting for tourists over the years. It isn't only a beautiful antique city it. It is the one where Mozart was born and where the story "The Sound of Music" took place. And that is the the main point why people visit this city. But apart from that the city has beautiful spots for taking pictures. Here are the Top 5 Instagram spots in Salzburg.

## #1: Mirabell

In Mirabell you will find a huge park, with fountains and beautiful gardens full of flowers. From there you have a wonderful view to the Festung. There is a playground and a small labyrinth too. Every corner there is appropriate for a perfect Insta shot.

## #2: Residenzbrunnen

The Residenzbrunnen is very popular too. Many tourists take pictures sitting on it or standing in front of it. It is situated in the Residenzplatz right before the cathedral.

**#3: Salzach**

The Salzach is the river that goes directly through the city. Young people often sit down at the shore at warm days to relax and enjoy the sun. This spot is a nice place to get cute pictures.

**#4: Fabis**

Fabis is a frozen yoghurt shop in the center of Salzburg. It has become really popular in the past years. But the ice cream doesn't only taste incredibly good it looks fantastic too! That's why young people often take pictures at Fabis with their frozen yoghurts.

**#5: Markatsteg**

The Markatsteg is a bridge over the Salzach in the center of the city. It is known for all its locks that people usually hang there as symbol for their love. So if you are in the city it is the perfect opportunity to get a beautiful shot there. From the bridge you have a wonderful view to the Festung too and a nice background with all the locks.

**#Swerve!: Getreidegasse**

The Getreidegasse is a beautiful street in Salzburg with many shops. The street is pretty and a shot there would look cool if there weren't that many tourists there. It doesn't matter what you take a picture of you can see people everywhere. Sometimes you can't even walk because you hit against every other person.
